

Become a PAT/ Early Childhood Education Booster Club Supporter Today!!

Our mission is to develop a partnership of parents, children and staff to strengthen the Early Childhood Program and the Parent as teachers Program. The Booster Club helps schools and teachers by providing items that the District does not include in its budget. In the past, we have provided playground and speech equipment, digital cameras and other items to benefit your child's education. Booster Club meetings are held quarterly at the Hazelwood School District Learning Center, 15955 New Halls Ferry Road. Simply mail in the form below or return it to school with your child. The first meeting is **Monday, November 7 at 6:30 p.m.** Child care will be provided.

THE BOOSTER CLUB THANKS YOU FOR YOUR SUPPORT

I want to become a Booster Club Supporter!
\$5 per family for a year.
2011-2012 school year.
