Is Your Child a Target of Bullying?

Monday, October 24
6 p.m. – 9 p.m.

Special School District Central Office, Room 61
12110 Clayton Road (just east of Ballas Road)

This workshop is designed to introduce participants to a range of bullying intervention strategies that can be used by the child, parents, and school personnel. The training provides guidelines for the development of a plan to address the unique needs of the individual child and is applicable across all disability categories and age groups.

MPACT assists parents to effectively advocate for their children's educational rights and services. MPACT is a statewide parent training and information center serving all disabilities. Its mission is to ensure that all children with special needs receive an education that allows them to achieve their personal goals.
